Proud U.S. Navy Veteran

Summary of Qualifications

Detail-oriented, creative, and highly motivated Graphic Designer with 18+ years of successful experience in creating highly appealing media content, branding materials, and other graphics to increase corporate awareness. Solid analytical, communication, problem solving, critical thinking, and technical skills. Expertise in commercial packaging design, printing, sign/logo design, and computer graphic arts. Currently seeking a position as a Graphic Designer which will effectively utilize all acquired skills, abilities, and areas of expertise as follows:

- Graphic Design/3D Modeling
- Client/Vendor Relations
- Quality Assurance (QA)
- Project Management
- Web Development
- Commercial Packaging
- Digital Image Editing
- File Conversions
- Team Collaboration
- Corporate Logo Design
- Material Production
- Cost Quotes/Estimates
- Indoor/Outdoor Banners
- Project Outsourcing
- Branding Strategies

Core Competencies

- Developing, designing, and manufacturing signs, banners, flyers, brochures, layouts, posters, logos, business cards, private/business invitations, stationery, website graphics, and marketing materials.
- Collaborating with clients, freelancers, and outside vendors to ensure that final products reflect the original intent and material production requirements.
- Producing vinyl graphics utilizing vinyl cutters and large format digital printers, as well as applying vinyl to vehicles, windows and various other sign substrates.
- Interacting with suppliers/printers on graphic designs, creating artwork according to customer requirements, and revising existing graphic materials and customer artwork.
- Converting graphics/images/logos from copy into approved templates and working with Adobe Suite, HTML, CSS, Maya, Zbrush, and many other tools.
